PRODUCT DESCRIPTION

Starting as low as \$65/foot [Fully Installed](#), Billings offers a cost effective way to decorate a [Riverdale](#) style fence with an eye-catching soft curve along the top.

"Convex" refers to the shape of the curve on top of the fence. If the the arc is higher in the center than at the posts it's convex. If the arc is lower in the center than at the posts it's concave.

The photo above shows a Billings in cedar with pyramid caps and rounded pickets, all straight with the grade.
