PRODUCT DESCRIPTION

The example above shows a Jockvale Gate made of Cedar boards spaced at 3" with a Semi-Transparent stain. This particular photo is showing a gate that is only 4' high, which is probably why the customer chose to opt out of an overhead brace.

Standard Wood Gates are priced at twice the price per foot of the matching fence style. For example, if a fence style is \$80/ft a matching gate will start at \$160/ft.
