PRODUCT DESCRIPTION

Add strength to select styles of wood fence. The Princeton w/PostMaster Steel Posts starts as low as \$120/foot [Fully Installed](#). Steel Posts have many benefits:

Longevity:

Typically posts are the first structural component to wear in a wood fence. Steel Posts solve that problem.

Strength:

PostMaster posts can handle more than double the usual maximum wind load on a fence.

Warranty:

PostMaster posts include a [20 year manufacturer's warranty](#). Wood has none.

Cost of replacement:

Years from now if the fence needs to be replaced it can be done without reposting. The savings will be substantial.

Posts aren't as visible:

The aesthetics are better from both sides of the fence.
