PRODUCT DESCRIPTION

Our Tennis Court Fences take advantage of our specially-sized vinyl covered Tennis Mesh in your [choice of colour](#) with the same heavy steel posts and framework that we use in our Industrial or Commercial Chain Link Fences. There is also an option for Powder Coating so posts and fittings all match the mesh.

Starts at under \$14,999 [Fully Installed](#) for 10' high.

Generally a single court fence measures 120' long by 60' wide but the numbers can vary depending on your requirements. Call [\(613\) 736-1122](tel:6137361122) for more details.
